

Lift up your eyes,
and look on the fields:
for they are white
already to harvest.

DECLARE HIS GLORY PSALM 96:3

Dear Friends, Prayer Warriors, Loved Ones, and Supporting Churches:

**When Jesus heard it, he saith unto them,
They that are whole have no need of the physician,
but they that are sick: I came not to call the righteous,
but sinners to repentance.** Mark 2:17

An unsaved husband of a member suggested that she buy special flowers for Easter. He knew that Easter was a special occasion for Christians. Later he read a devotional book that Kimiyo gave to his wife. He made the comment that he was surprised that you do not have to be good to attend church and anyone can go. Mr. S has cancer and is searching for the answers to life's questions. **Please be in prayer as we attempt to reach him with the Gospel.**

We had good attendance for Easter and Communion. This was a first for our church to hold Communion on Easter. Commemorating the breaking of Christ's body on the same day as celebrating His resurrection created a special blessed meaning to both. Praise God for the cross means to us as Christians.

The bank has publicly announced they have entered into negotiations with another bank; with a view to merge the two banks into one. Because of this, all assets are frozen and will need to be appraised again. This may affect their decision to sell to us. It will likely be months before negotiations can start again, if at all. **Please be in prayer for God's will concerning the purchase – He is in control.**

Our elderly landlord informed us this morning that we will need to move out by September. His son is moving back from Tokyo. This was expected, but we all thought it would be another year. If the bank negotiations are not completed in the next few weeks, we will need to seek another temporary place. **Pray for God's leading and wisdom.**

We are in the fourth wave of COVID. This wave is far worse than the other three. The N501Y strain has been identified as part of the cause. Several prefectures are now under a state of emergency, with several more on the verge of the state of emergency. It will be the middle of July before the 70 and older vaccinations are completed. Pray that Japan will complete the vaccinations quickly.
